PROFESSIONAL PROFILE

Computer Engineer with a solid background in hardware architecture and backend development. Highly skilled at analyzing complex problems and finding effective solutions. Passionate about leading teams, consistently bringing out the best in every work group throughout my academic and professional career.

SOME INTERESTING PROJECTS

Big Data Analysis | C | OpenMP | OpenMPI | OpenACC | CUDA

- Development of shared-memory parallelism applications with OpenMP
- Distributed computing in cluster with OpenMPI
- GPU acceleration with OpenACC and CUDA architectures

Greenhouse Management Application | Java 21 | Spring Boot | JPA | REST API | H2 | JavaScript

- Full-stack application with layered architecture, asset management and real-time state control.
- Full CRUD implementation and data persistence with JPA and relationships.

Vaccination Simulator | C | Threads

- Development of a concurrent simulator in C to manage real vaccination scenarios
- Advanced thread management for real-world examples

More projects in my portfolio

SKILLS

Languages: Java, SQL, Python, C, C++

Frameworks & Libraries: Spring Boot, Spring Data JPA, LangChain, JUnit, Mockito

Databases: MySQL, MongoDB, SQLite, ChromaDB

DevOps y Cloud: Git, GitHub, Docker, Microsoft Azure, CI/CD, Linux

AI & LLM Tools: Claude Code, Gemini, IBM Bob (integrated), Critical Thinking

Methodologies: Scrum, TDD, SOLID, Code Review, Jira

EDUCATION

Bachelor's Degree in Computer Engineering | Universidad Rey Juan Carlos | 09/2022 - Actualidad

- Endorsed by the international quality seal EURO-INF
- Honours distinction in Artificial Intelligence and in Embedded and Real-Time Systems
- Internship and final degree project pending for the 26/27 academic year
- From 02/25 to 06/25 I participated in the Erasmus program at VIZJA University, Varsovia, Polonia

C1 Advanced Title | Cambridge English | 13/12/2025

Scientific Baccalaureate | IES Alfredo Kraus | 09/2020 - 07/2022

LANGUAGES

Spanish: Native

English: Advanced (C1 Cambridge)

PROFESSIONAL EXPERIENCE

IT Teacher for Children | Colegio Nueva Castilla | 09/2023 - 07/2024

- Classroom leadership and management, promoting technical learning from an early age
